

HEALTH AND SAFETY POLICY

WDE Consulting Limited (WDE) attaches the utmost importance to the safety, health and welfare of its employees and will provide relevant information, appropriate training and supervision as required. The company will comply with the provisions of the Health and Safety at Work etc, Act 1974, other requirements and all relevant subsidiary Regulations and are committed to the continual improvement of health and safety management and prevention of injury and ill health. WDE comply with the requirements of ISO 45001:2018. To achieve this WDE will identify all work place hazards and take appropriate measures to eliminate or sufficiently control risks to any parties potentially affected by WDE operations/omissions.

WDE's objectives are to maintain a healthy and safe environment for our employees, sub-contractors and visitors. Top Management will ensure it establishes processes for consultations and participation of workers. As part of our commitment to continual improvement, Top Management will set target objectives for each calendar year and monitor performance against these objectives.

Policy Review

This policy will be reviewed as the business grows and develops and in light of future changes to legislation. As a minimum this policy will be reviewed annually by Top Management.
